

MISSION STATEMENT

It is our mission to be the dominant marble and granite fabricator in the greater Philadelphia trading area by relentlessly pursuing the highest quality stone, installations, customer satisfaction and employees. We shall grow our business in all our market segments by consistently outperforming all competitors in these areas.

We shall seek out and employ people of the highest standard. People that conduct themselves in accordance with our published core values, are accountable to each other and our customers, and enjoy the continuous pursuit of improvement. These are not just words – this is our Mission!

CORE VALUES

Integrity – We tell the truth and keep our word.

Accountability – We take responsibility for our decisions and we are accountable to each other, our customers and ourselves.

Candor – We are honest in our evaluation of ourselves and our company.

Dedication – We are dedicated to continuous improvement of our business processes, our customer service and our innovation.

Consistency – We strive to deliver a consistent experience for our customers and our employees.

Performance – Compensation, training and opportunities shall be based strictly on performance.

Growth – We shall pursue business and personal growth relentlessly.
